Thanks for joining today. For the record, we did have email exchanges more recently with Larry (deputy), but Susan wasn't on those. And we did talk with Rosemarie and Karin at several WED generals, but they didn't think we need to brief up again because you all were still assessing the information, etc. It seems OGC raises everything up the chain earlier, even letters like the one you're sending. Lessons learned....

Thanks again for joining on short notice.

Mark and I can kick it off, but then promptly turn to you all. Again, hoping this is more of a heads up/FYI and not in depth discussion. Thanks again.
